Patchwork Family Farms

Patchwork Family Farms is a group of independent hog farmers who believe in raising their hogs the traditional way - with great care and plenty of access to fresh air and sunshine, and no non-therapeutic antibiotics. Purchases from *Patchwork Family Farms* also help support Missouri's independent farm families, rural communities and a healthy environment.

Patchwork Family Farms is a program of the *Missouri Rural Crisis Center (MRCC)*, a committed and successful family farm membership organization that organizes and fights every day for policies that support America's farm families, rural communities and democracy.
